Eine wertvolle Lektion über die Freundschaft mit dem neuen Kind Von Charles Ashbacher Während ich noch nie bewegt, als ich in der K-12-System war, wusste ich, dass viele, die haben, von denen einige meiner besten Freunde waren. Sie sprach darüber, wie schwer es war, in eine neue Schule zu Fuß eine einzelne Person und die Schwierigkeiten des Lebens in einer neuen Nachbarschaft nicht zu wissen. Einer meiner ehemaligen Lehrkollegen adressiert dieses Problem direkt. Als sie in ihrer neuen Nachbarschaft kamen, nahm sie ihre beiden Jungen im Schlepptau, und sie gingen von Haus zu Haus, klopfen an die Türen und der Frage, ob alle Kinder dort lebten. Wenn das nicht geschieht, dann ist das Kind wie Ellie, der Bummel durch die Nachbarschaft von ihr selbst, das Gefühl verloren und allein, wollte jemanden zum Spielen. Auch Kinder können mit Freunden auf diese beziehen und es ist eine Lektion, die die Kinder aus dem Weg zu gehen, um "Hallo" sagen und fragen Sie das neue Kind, "Willst du mit mir (uns) zu spielen?" Die Lektion ist

weiter indem Sie ausgestopfte Tiere wie die Charaktere verstrkt. Kinder haben eine natrliche Liebe fr diese Art von Spielzeug, also in einem gewissen Sinne ist ihre Fhigkeit, mit dem verlorene Kind einfhlen verbessert. Dies ist ein groartiges Buch fr Kinder, ist es leicht zu lesen, beinhaltet Charaktere und Situationen, die sie verstehen und bietet eine wertvolle Lektion fr den Umgang mit anderen. Kurzbeschreibung Gold Level Mom's Choice Award Winner - A beautiful blend of real life and make-believe, The Amazing Adventures of Ellie the Elephant series recounts the everyday life of a stuffed animal. The debut book, Ellie Makes a New Friend, follows the plush elephant as she moves to a new neighborhood and has to find a new playmate. Written and photographed by mother Marci Fair and her ten-year-old daughter Elle Fair, the story is uniquely illustrated with delightful photos of the little elephants journeys through the neighborhood as she tries to settle into her new home. Children will love seeing a toy living in a real-world setting, and parents and teachers will appreciate Ellies positive and creative approach to finding answers to her problems. Fun, playful, and packed with imagination, you wont want to miss the upcoming adventures of Ellie and her new friend! Pressestimmen "This is such a lovely story about friendship and the characters could not be more darling. The illustrations are actual photographs which I found clever and engaging. The authors' imaginations shine through in this bright and creative picture book." "This sweet book is a fun mix of the real and imaginary and would be a great book for helping any child who has recently moved or started day care or school. The authors tell Ellie's story from the perspective of a young child, embodied in stuffed elephant Ellie. When Ellie first moves to a new neighborhood, she feels lonely. Then she meets Pudgy, a penguin who enjoys all the same things as Ellie. The simple language, realistic photos, and colorful layout are engaging for young readers. As a parent of young children and an educator, I highly recommend Ellie's first adventure, Ellie Makes a New Friend." "The presentation for this story is precious. Bright, colorful pictures using stuffed animals tell the story and fill every page. Larger print and colorful font make the book easy for the younger readers to follow along or read to themselves. Children will be able to relate to wanting friends to play with. Children will be inspired to be creative with their stuffed animals and the last page has a website to facilitate this." "The Adventures of Ellie the Elephant are among my three-year-old son's most requested books at bedtime, and we'll often read them every night for spans of over a week at a time. The real-world photography provide intriguing yet accessible imagery for him to examine and interpret, and when combined with the soft storytelling, they have a much-needed calming affect on an otherwise busy little boy. Best of all, they encourage him to create his own stories using his own toys."
