Ohne billige Tricks aber mit der richtiger Methode? Von einem echt erfahrener Meister? Kaufen Sie diesen Buch. Ich besitze und habe probiert 15 "How to Draw" Buecher. Willy Pogany's ist aber den schoensten, den klarer und den nuetzlichsten! Ich wuensche ich haette diesen Buch vor 30 Jahren getroffen! , bitte: wir wollen mehr von Willy Pogany's Kunst sehen!0 von 0 Kunden fanden die folgende Rezension hilfreich. This book has both practical instruction and inspiring styleVon Ein KundeThis book, by deceased illustrator Willy Pogany, is, along with Jack Hamm's book, the best one on drawing the human head and figure. The book covers perspective, shape, and figure drawing in step-by-step practical fashion. Also

included is an inspiring section of Pogany's own sketches of fanciful worlds and creatures. This book makes you want to practice and practice the steps, so that you too can create your own lively characters and scenes. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best books on the art of drawing ever! Von Ein Kunde Willy Pogany is one of the great classic masters of illustration; yet he does not hesitate to patiently take the student from the very beginning steps of drawing to the most advanced figure exercises. With very few words, and many excellent pictures, Pogany reveals the secrets of art and drawing. And even if you never follow the lessons, the pictures alone are worth the price!
