The Art of The DarknessVon Parka[[VIDEOID:moHO90TZ70CCFW]]This large format paperback art book collects the art for comic series The Darkness.There are covers, card art, sketches and some concept art for the adapted game. The book has only 96 pages which is a bit thin but the beautiful artwork makes up for it. The cover art are gorgeously reproduced and printed huge.If you have other art books from Top Cow, such as Art Of Marc Silvestri or The Art Of Top Cow (recommended), you'll find some duplication of artwork here.The featured artists in this book are Dave Finch, Michael Turner, Whice Portacio, Joe Benitez, Marc Silvestri, Stjepan Sejic, Keu Cha, Eric Basaldua and Dale Keown.(There are more pictures of the book on my blog.
