Von Gertrude Stein : The Autobiography of Alice B. Toklas before purchasing it in order to gage whether or not it would be worth my time, and all praised The Autobiography of Alice B. Toklas:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An interesting readVon Ein KundeThis is the book that brought Stein into mainstream society, and not without reason. Considerably more accessible than her other work, she relays the story of her life through the persona of Alice B. Toklas, her life-long companion. Primarily consisting of remarks about the various movers of the Paris art and literary scene that took place at the turn of the century, Stein, above all, isn't afraid to say just what she thinks. However, her

wry anecdotes and asides are not written without the greatest of attention to style, and the reader finds each sentence to be representative of the originality in grammatical structure that made her famous. 1 von 1 Kunden fanden die folgende Rezension hilfreich. An unconventional look at an unconventional writer. Von Ein Kunde In using her lover Alice as the narrator of something called an autobiography, Stein reveals that we can expect something unusual with this book. Of course, she delivers, turning ordinary events and words into a sometimes difficult but always fascinating prose narrative. One can easily see why so many artists and writers sought her company. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Langweilig und sinnlos Von Kunde Musste dieses Buch für die Uni lesen. Die ersten hundert Seiten werden lauter Charaktere erwähnt, die einem teils nichts sagen und zum anderen im weiteren Verlauf keine Rolle mehr spielen. Der ganze Inhalt enthält keinen Plot und liest sich sehr zäh. Zudem sind die Handlungen chaotisch und zusammenhanglos. Fast keiner in meinem Kurs konnte etwas mit dem Buch anfangen oder würde es weiterempfehlen. Der eine Stern ist allein dafür, dass man etwas über die Umstände der Zeit erfährt in denen sich die Schriftsteller und Künstler der Lost Generation bewegten. Es brachte mich so wenigstens für den Kurs etwas weiter.

Kurzbeschreibung The Autobiography of Alice B. Toklas was written in 1933 by Gertrude Stein in the guise of an autobiography authored by Alice B. Toklas, who was her lover. It is a fascinating insight into the art scene in Paris as the couple were friends with Paul Cézanne, Henri Matisse and Pablo Picasso. They begin the war years in England but return to France, volunteering for the American Fund for the French Wounded, driving around France, helping the wounded and homeless. After the war Gertrude has an argument with T. S. Eliot after he finds one of her writings inappropriate. They become friends with Sherwood Anderson and Ernest Hemingway. It was written to make money and was indeed a commercial success. However, it attracted criticism, especially from those who appeared in the book and didn't like the way they were depicted.
