Von George Muller : The Autobiography Of George Muller (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Autobiography Of George Muller (English Edition):

Should be titled - The noncomplete autobiography of G.MullerVon Ein KundeThis book only covers "selected portions" of George Muller's Autobiography and then only up to 1860. THE Autobiography ends just shortly before his death in 1898. My biggest complaint is the appearance that this is the complete work when it is only a very selected summary of part of his life.1 von 1 Kunden fanden die folgende Rezension hilfreich. A man that truely took God at His word.Von Beaux PilgrimThis man had a heart after doing the will of God and trusted in Him for every single thing in his life. This is a must read for every Christian to build up your faith. I know it has helped me a great deal.0 von 0

Returned to this book after interesting citations in John Piper's The Pleasures of God. To my dismay, I found, as did another reviewer, that this paperback ends quite before the original work does, and cuts out some heartfelt commentary about the illness of Muller's daughter. Ouch! However, I am using it in daily devotionals with my two sons (10 12) to great effect. So, while the book is shorter than I'd like for personal reading, it seems just the right length for younger readers and thoughtful discussion as in family worship settings.
