I want to read it over and over again!Von Ein KundeKristy's is having trouble deciding what to get for her mother for Mother's Day. Then, Kristy get one of her famous great ideas. The best part about the idea, is that it is like a present to lots of the Baby-sitters Club's clients. The idea is that the BSC will watch alot of the clients children the day

before Mother's Day, so that the mothers can get a day off from being mothers. The children have a great time. Plus, a surprise visitor to most of the children, an old friend of the BSC comes to visit. Just when Kristy thought that the day couldn't have been better, her mother reveals a surprise of her own.0 von 0 Kunden fanden die folgende Rezension hilfreich. Okay.... Von Ein Kunde This book was okay. I mean, the text and all were good and the idea was great, but for one thing: the author treats the girls like they're adults. We know they're not. When I was, like, eight I used to think: Oh, when I'm thirteen I'll be just as adult and I'll feel really adult then. And you know what? I don't, I really don't. Martin treats the kids like they're grown up already, when really, some people aren't grown up until they're thirty. Nice try, Martin, but try to write a little more convincingly.0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't waste money, it isn't worth it Von Ein Kunde Okay, you may like it if you're a brainless 10-years-old white caucasian upperclassman. Otherwise no. All BSC books are dull but this one is the dullest. Like parents were going to give their kids to a bunch of 13-years-old. And the throwing up scene in the carousel. How thrilling

Kurzbeschreibung Mother's Day is coming up and the Baby-sitters have the same problem they do every year: What do they get their mothers? Kristy, especially, wants to do something nice for her mom. Mrs. Brewer has been acting kind of strange and secretive lately, and Kristy's worried about her... But then Kristy gets another one of her great ideas. Why don't the Baby-sitters treat their moms - and the mothers of the kids they sit for - to a day off without any kids around? The BSC plans a gigantic baby-sitting party. It's a Mother's Day surprise that couldn't be beat!... Until Kristy's mom reveals a very special surprise of her own.
