Is Claudia adopted?Von Ein KundeI think this a very good book, but it is also kind of unrealistic. I mean, what are the chances of thinking that you're adopted just because...you're probably not following me right now, so read my review: Claudia isn't like the rest of her family. They're all so smart, but Claudia never gets good grades. When Claudia

discovers a mysterious box with a lock, which her parents never showed her, and photo albums without any of Claudia's baby pictures, Claudia is convinced that she's adopted. Claudia begins her search and won't let anything get in her way. It's even worse when Claudia couldn't find her birth announcement in the newspaper! Oh, no! Can it be true? Claudia Kishi is adopted? Read the book and join Claudia in her exciting trip to search for her past!0 von 0 Kunden fanden die folgende Rezension hilfreich. After Janine won her millionth reward Claudia starts thinking about how different she is from her family. Anyway she starts looking through photo albums and there aren't any baby pictures of her. Then she does lots of very extreme things. Find out what I mean by reading Claudia and the Great Search .0 von 0 Kunden fanden die folgende Rezension hilfreich. Claudia Kishi, adopted?Von Ein KundeThis book was very unrealistic. Just because Claudia isn't exactly like her family, and not some genius like Janine, that is no reason to find out if she is adopted! That's plain dumb. Plus, this is Baby-Sitters Club we're talking about here. Though I am a huge fan, I know that the books almost always have a happy ending. Claudia, adopted? Yeah, right!
