Sea City part II Von Ein Kunde When I was 13 and I saw a preview for this book in the Scholastic book order, I was so excited since I had enjoyed part 1 of Sea City in #8 Boy Crazy Stacey. I went out and bought it just in time for summer vacation and took it with me to read when I went with my family to the Oregon Coast. It was very appropriate reading

material for that environment. It was so good, and I enjoyed it except that I feel like there was too much 'romance' in it. And that seemed to make it dull. But it was still good, although I preferred Sea City part 1 in Book #8.

Kurzbeschreibung Mary Anne and Stacey are in Sea City working as mother's helpers for the Pike family. When each of the girls meets up with her boyfriend from last summer, things start to get complicated.
