Von Ein Kunde I loved this book so much, I lost it, then I bought it again! I loved to read Stacey, and Mary-Anne's stories, because they were the stories from when they were not in the Babysitters Club. Mary-Anne tells

about when Kristy, Claudia, and her, trick the babysitter, and how she becomes their friend in the end. Stacey's tells about the first time she found out she got diabetes. Buy this book! Our check it out in your library! But if you buy it, it comes with a chain or something! BUY IT!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful book that I recommend to anyoneVon Ein KundeI really, really loved the book, because the members of the BSC related to their most vivid memories in a most accurate way... huh? you think, in fact, what I mean is that they could remember their most vivid memories in detail. I really like the most vivid memories of Jessi, Shannon, Mary Anne and Kristy. Or should I say, the truth is I like all their vivid memories. Some of the memories were even a bit similiar to mine. Besides the book, I also liked the cover and the pictures. D23H0 von 0 Kunden fanden die folgende Rezension hilfreich. GREATVon Ein KundeThe Baby-Sitters' Remember is the best book! KurzbeschreibungThe teachers at SMS have assigned homework to do over the summer. How Mean! Plus, the essay topic is so boring: What I Did This Summer. If Kristy were teacher, she'd choose something much more interesting. Like writing about your most vivid memory. Which gets the Baby-sitters thinking...KurzbeschreibungThe teachers at SMS have assigned homework to do over the summer. How Mean! Plus, the essay topic is so boring: What I Did This Summer.
