**Von Bobby Clark : The Baffled Parent's Guide to Coaching Youth Soccer (Baffled Parent's Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Baffled Parent's Guide to Coaching Youth Soccer (Baffled Parent's Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic. Wonderful. The best book on coaching i've seen.Von Ein KundeWow, I have never read a book like this before.I think this book is a must for EVERY coach, and EVERY parent. As I moved through the chapters I was continually amazed that someone could make coaching seem so easy, so fun. In addition there is also a lot of common sense approaches on how to handle difficult situations that a coach will face, including playing time, parent input, gender issues etc. I feel like I am armed with a coaching weapon. I can't wait for next season.0 von 0 Kunden fanden

die folgende Rezension hilfreich. Great coaching book for any coach of any sport at any level Von Ein Kunde This book provides a fantastic knowledge and background of the game. While teaching you how to coach, it never loses track of the real reason that people are playing sports in the first place. A truly great book for anyone currently coaching or just getting in to coaching. Gives good drills and games as well as the background information needed to make them work. Gives advice for all aspects of coaching needed to make a team work. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Uniquely effective approach to teaching kids soccer Von Ein Kunde This is a wonderful guide to involving kids in soccer and teaching them the fundamentals of the game. I have been coaching my son's team for three seasons now, and this book has really changed my approach. I used coach Clark's drills and techniques this summer and watched the kids become more engaged in the sessions and improve their skills. Coach Clark has a uniquely effective approach to teaching children.

Kurzbeschreibung Written by soccer great and championship Stanford coach Bobby Clark, COACHING YOUTH SOCCER: THE BAFFLED PARENT'S GUIDE tells you how, starting at point zero, an uninitiated coach can meld kids into a team and help them enjoy one of the most rewarding experiences of their youth. (In the end, you may be the one who reaps the biggest reward, as you watch kids learn and grow in an experience they'll treasure for a lifetime.)
