The Bait of SatanVon Ein KundeIn the past twelve months I have studied this book twice in two different classes. We used the study guide in the second class. This is a MUST study for Christians of every maturity level. In the last days Many will be offended, inside of the church. We cannot afford to allow Satan to hinder us by keeping us bound by offence and bitterness and this book holds the keys to the freedom we all desire in Christ. If I could, I would put a Bible in one hand of a new Christian and this book in the other hand.2 von 2 Kunden fanden die folgende Rezension hilfreich. Finally a book I can use for teachingVon Professor BernisiI have been on the search for the soul since about puberty. Not that I have succeeded to find it, but with this book I made a big step forward to understand the phylosophical as well as religious basis of our Lord.Christ will always be with us, but the Satan does a keen job as well. I have started to read out parts of the book during my teaching with the students and can only recommend this book to everybody who is hazzled by the question:Satan or Lord, is the world good or bad?This book gives a lot of thought on the way to find the soul.Sincerely, Prof. Dr. Bernisi
