**Von John Seward : The Beauty of Holiness and The Holiness of Beauty** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Beauty of Holiness and The Holiness of Beauty:

I bought it because the reviews were so good, and I'm really glad I did. If you wonder what art has to do with spirituality, this book will carefully reveal it to you. It provides a wealth of information - each premise is carefully documented and supported. It ties together the experience and profundity of art (in worship, in creating art, etc.) with holiness. It was written from a Catholic perspective, but the rich traditions and thought underlying the message are for all Christians. What joyful reading... END 0 von 0 Kunden

This is a beautiful exposition of the harmony between holiness and beauty. John Saward, a friend of mine, is a reflection of this great work. Read it.

Kurzbeschreibung  
Beauty will save the world," said Dostoyevski. This book is a study of two powerful ways in which true beauty shines upon the world - in the lives of the saints and in the works of Christian art, "the beauty of holiness and the holiness of beauty". This book is a unique and unprecedented meditation on the beauty of Christ and His saints. It centers on several works of art (reproduced in this book) of a saint - Blessed John Fiesole, known to the world as Fra Angelico. Drawing on Angelico's own theological sources, Saward has written a book not on art history but on the splendor of Catholic truth. Beauty is the splendor of truth, the attractive radiance of truth. This new book is intended to help Christians grow in wonder at the glory of Divine Revelation, to which both the Church's saints and the Church's art bear witness. Illustrated with Angelico's color art.
