STOP THE GAME OF BLAME AND SHAMEVon Ein KundeOnce again, the peace and serenity of Bear Country is shattered by the boisterous exchange between Brother and Sister Bear. Even the usually patient Mama Bear could not help but blow her top off. Papa Bear comes to the rescue by showing the way. He puts things right by getting Brother, Sister and even Mama Bear to chip in and help.By reading this story to my sons, they saw themselves in similar situations and decided for themselves that the more time spent on righting wrongs and the less time spent on the blaming game could go a long way in promoting a loving, healthy and harmonious family relationship.Without being preachy, this book is a good read and teaches family values at the same time.
