A Christmas FavoriteVon Ein KundeWhen I was little, my mom used to read this book to us every Christmas season. It is about how the family goes looking for the perfect tree, but every one they look at already has an animal family living in it. It is full of wonderful pictures and it touches the heart. I loved to look at the different Christmas trees the bear family wanted to buy. It is a wonderful book to teach kids the true meaning of Christmas!0 von 0 Kunden fanden die folgende Rezension hilfreich. Pretty good, but...Von Ein KundeWe love the Berenstain Bears books, videos and audio kits, but this one had a few flaws. Mainly, the rhyming was off-rhythem and would trip the tongue of even the

best reader. But , as always, the illustrations were vivid and detailed, and the characters were lovable.

Papa, Brother, and Sister realize that the trees are perfect homes for the animals and show kindness and love for their fellow Bear Country friends by not cutting them down. The animals from the forest work together to thank the Bear Family in a wonderful and unique way. Kurzbeschreibung Finding the perfect Christmas tree is very important for Papa Bear and the cubs.
