book, like all the other Berenstain B. books, is GREAT!Von Ein KundeAlthough I am already 10, I think that the  
Berenstain Bear Books are very good and fun to read. Also, they have a great value or moral to the story. The book  
reminds me of the problems and solutions to daily life. It is ann extremely good book. In the Berenstain Bears count  
their blessings, Sister and Brother Bear learn not to be selfish.
