PerfectVon Ehrliche Haut2605This Travel Guide is really perfect.I am German and I love it! Most popular places in

short articles-very good! The informations are compact but filled with every Information you need

Kurzbeschreibung>Welcome! If you are reading this, it means that you are somehow interested in the German capital. Maybe you are planning a trip to Berlin, or even better, you are already there. Anyway, this book you are reading soon will be your best travel companion in Germany. It knows a lot about Berlins most important historical attractions and monuments. It knows the history of churches and legendary buildings built centuries ago. It knows the most important museums you will find in Berlin, and yes, it knows almost everything about the awful years of separation. Apart from history, this guide will inform you about the famous Berliner beer gardens and the most exciting clubs where you can party all night. You will be guided to the best cafs and restaurants, in order to best experience the Berliner cuisine. Moreover, it will teach you several interesting facts about the German capital, it will introduce you some of the most typical symbols of the city, and will give you a few good ideas about where to buy interesting souvenirs. Last but not least, our small collection of Berlins best wellness centers will definitely persuade you to make a reservation in one of them. This is a unique collection of Berlins sights, which, if used properly, will make your stay a unique time of your life. So dont hesitate, go out and discover the great German capital and get to know the people living there. They are just as great as their city. Have a nice trip
