Von Douglas Connelly : The Bible for Blockheads---Revised Edition: A User-Friendly Look at the Good Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Bible for Blockheads---Revised Edition: A User-Friendly Look at the Good Book:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Simple but not Simplistic Von Greg Meyer With a title like "Bible for Blockheads," you might tend to think this book is a bit too dumbed down for all but the totally biblically illiterate. And though it's true that a newcomer to the Bible can immediately profit from this book, it has much more to offer than first meets the eye. Connelly is sensitive to the historical and literary context of each book, letting it speak for itself and address the original audience's concerns, rather than simply supporting church dogma. Sure, it has cute pictures and avoids technical theological language, but behind its simplicity lies a rather profound understanding of the nature and purpose of a biblical text. A refreshingly straightforward everyman's guide to the Bible. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Covers Three

Big Bases Von Johnny Connelly Accurate, clear and enjoyable. Three ingredients necessary for cutting through the fog of yesteryear's grandiloquent, ho-hum reference works. Connelly offers a general overview of each Bible book and sets a context allowing the passage to make sense. Like, the passage MAKES SENSE because we know who, what, why and where! Doug provides the skeleton on which the story comes to life revealing the intended meaning of the authors to farmers, kings and Internet surfers. In covering three huge bases, Connelly hits a home run! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Covers Three Big Bases Von Johnny Connelly Accurate, clear and enjoyable. Three ingredients necessary for cutting through the fog of yesteryear's grandiloquent, ho-hum reference works. Connelly offers a general overview of each Bible book and sets a context allowing the passage to make sense. He provides the skeleton on which the story comes to life to reveal the intended meaning of the authors to farmers, kings and surfers. In covering the big three bases, Connelly has hit a home run with "The Bible for Blockheads".
