KurzbeschreibungHave you ever wondered: Why Christians get all dressed up on Sunday, then go to a building, sit in rows, and listen to one professional person give a monologue sermon? Why do we have Sunday schools, nuseries, children's church, and youth ministries? Why do churches spend so much money on elaborate buildings and even call their building the house of God? Why will church leaders forsake the Bible, and do almost anything to fill their buildings? Why do we baptize an infant or say a sinner's prayer and call that salvation? Why do we eat a little cracker and drink a tiny cup of juice and call that the Lord's Supper?Discover the answers that God gave to me concerning these questions and many more inside of this book. I was so moved by these answers that I sold out my traditional congregations to buy this pearl of great price that I now call "Biblical Church".KurzbeschreibungHave you ever wondered: Why Christians get all dressed up on Sunday, then go to a building, sit in rows, and listen to one professional person give a monologue sermon?
