one. It doesn't find half of the words as it can only find the words in its basic form. In German the words are usually in a different form. So in summary it's quite useless. I wasted my money and now I'm looking for a dictionary that works. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good and helpful. Von Sveta V. Dragovic. Very good dictionary. Some colloquial words are misunderstood. Normal with any dictionary. Recommended particularly for Kindle. One word: very good help.
