Ergänzung für den Unterricht. Von Kutterjule Ich benutze dieses kleine Buch als Ergänzung im Unterricht (Erwachsenenbildung). Es ist eine willkommene Abwechslung vom Durcharbeiten des vorgeschriebenen Lehrbuchs. Es bietet die Möglichkeit, die Kursteilnehmer auch mal längere Abschnitte an einem Stück lesen und übersetzen zu lassen. Vom Niveau her ist es für Anfänger mit etwas Vorkenntnissen geeignet. Für Englischlernende, die selber auch mal ein Buch auf Englisch zu lesen ist es sicherlich ein guter Einstieg.

Kurzbeschreibung Award-winning original fiction for learners of English. At seven levels, from Starter to Advanced, this impressive selection of carefully graded readers offers exciting reading for every student's capabilities. Rarotonga, in the beautiful Pacific Cook Islands, is the setting for a daring robbery. When master-thief Wolfgang Peters arrives on the island, Inspector Janet Hunter of the New Zealand Police is waiting for him. Will Peters manage to escape justice once again, or will Hunter and the Rarotongan police catch him? Paperback-only version. Also available with Audio CD including complete text recordings from the book.
