Von Nathaniel Hawthorne : The Blithedale Romance (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Blithedale Romance (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. magic realism Von Mark Chivers Hawthorne was able to work within a strict set of boundaries to create something of a social call to arms and equally, a strange, unwordly tale. The scenes in the forest are a clear antecedent to those writers in the 20th century working the magic realism vein. Above and beyond all of this though is the magnificent use of language

to create atmosphere and brilliantly delineated characters. It's a gorgeous book ; the effect as rich as a Gauguin painting.0 von 0 Kunden fanden die folgende Rezension hilfreich. SurprisingVon Ein KundeIt's been over seven months since I read the Blithedale romance, and I find myself still turning it over in my head. Hawthorne has received alot of bad treatment by feminists groups...but in many ways, I think this book is rather feminine in perspective. Skip the big Hawthorne novels and concentrate on his later, better, less well-known works. They're magic.0 von 0 Kunden fanden die folgende Rezension hilfreich. Curl up next to a fire and enjoy this intriguing romance.Von Ein KundeI read this book for college and at first was worried that it would not hold my interest for long. However, I was pleased to discover that The Blithedale Romance was full of mystery and intriguing characters. I would recomend this book to any reader who enjoys unraveling entwined strands of love and committment against a background of evil darkness.

After publishing The Scarlet Letter in 1850, its status as an instant bestseller allowed him to earn a living as a novelist. Full of dark romanticism, psychological complexity, symbolism, and cautionary tales, his work is still popular today. He has earned a place in history as one of the most distinguished American writers of the nineteenth century.
