Von Christopher Price : The Blueprint: How the New England Patriots Beat the System to Create the Last Great NFL Superpower before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blueprint: How the New England Patriots Beat the System to Create the Last Great NFL Superpower:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Habe

schon bessere Sportbücher gelesen Von DU-TH Wer sich für die New England Patriots interessiert, bekommt hier einen Überblick über ihre Geschichte von den Anfängen in der AFL bis zu ihrer (fast) magischen Saison 2007. Trotzdem war ich mit dem Buch nicht so richtig zufrieden, irgendwie hat es sich nicht flüssig gelesen, hier habe ich schon wesentlich unterhaltsamere englische Sportbücher gelesen.

Kurzbeschreibung For years, the New England Patriots were a certifiable joke of a franchise. They were run on the cheap and were once the very example of how not to manage a team. They hired inept coaches---one of whom (Clive Rush) was nearly electrocuted when he grabbed a microphone at his introductory press conference. In 1968 their scouting director, Ed McKeever, suggested they draft a wide receiver . . . before someone in the organization realized the player had been dead for six months. They plucked ex-players out of the stands minutes before kickoff--Bob Gladioux was enjoying a beer at the game when he heard his name called over the P.A. (The Patriots had cut a player earlier that morning and found themselves short. Gladioux, who would go on to spend four years in the league as a running back, made the tackle on the opening kickoff.) And they played in a run-down stadium that was one of the worst venues in professional sports. There were brief moments of success, but on each occasion, front-office infighting would invariably cause the franchise to slide back down to the basement again. But in the first four months of 2000, everything changed. The hiring of head coach Bill Belichick and Vice President of Player Personnel Scott Pioli and the drafting of quarterback Tom Brady turned the fortunes of the franchise around. And their nontraditional approach to acquiring personnel---remembering that it's not about collecting talent, it's about assembling a team---quickly led to three Super Bowl titles in four seasons. It's a feat that, in the salary cap era, with free agency, planned parity and balanced scheduling, is in many ways even more impressive than anything achieved by the past dynasties of Green Bay, Pittsburgh, Dallas, and San Francisco. Along the way, Christopher Price has had a front-row seat for football history, chronicling the rise to power of the NFL's unlikeliest superpower. Price takes the reader inside the franchise to give him a dynamic portrait of a mighty organization at the height of its power. Readers are immersed in the locker room during the strange and tumultuous days of 2001 and 2003, when major personnel moves involving a pair of the most popular players in franchise history---Drew Bledsoe and Lawyer Milloy---threatened to rock their championship foundation to the core. Readers get an up-close look at the team that dominated the league on the way to a record-setting winning streak in 2004. And Price analyzes what went wrong when they fell short in 2005 and 2006, and how they plan to return to Super Bowl form in 2007. The Blueprint will explore how the Patriots went from the dregs to a dynasty, becoming the gold standard for professional sports franchises everywhere. It will prompt sports fans (and those who study organizations) to acknowledge what many football insiders have believed for a long time: when it comes to building a successful system, the Patriots have the Blueprint. Praise for Christopher Price's *Baseball by the Beach: A History of America's National Pastime on Cape Cod* "[Price] provides anecdotes bound to amuse some, astound others, and inform all."---Cape Cod Times "[Price] captures the true essence of the game and its people."---Front Row, New England Sports Network "An excellent job . . . a solid, definitive story of the Cape Cod Baseball League."---The Cape Codder *Pressestimmen* Praise for "The Blueprint": ""The Blueprint "offers a "Moneyball-"like look at how coach Bill Belichick and personnel man Scott Pioli built the New England Patriot dynasty." --"Sports Illustrated""Price...delivers a brisk narrative of the snakebit early years of the Patriots and a thorough examination of the personnel deals and philosophy that have lately brought in the players who won Super Bowls for them....He's done enough to make me return to the couch on Sunday." --Jay Jennings, "The New York Times Book ""Price's research is thorough, and his storytelling shows a creative flair....There is so much good material here."--"The Boston Globe""Price's level of research is evident. His chronicles of the checkered past of the team to its current power are thorough and his sources varied as he draws on the experience of everyone from former players to season ticket holders to fellow beat writers." --"New Hampshire Union Leader" Praise for "The Blueprint" ""The Blueprint "offers a "Moneyball-"like look at how coach Bill Belichick and personnel man Scott Pioli built the New England Patriot dynasty." --"Sports Illustrated""Price...delivers a brisk narrative of the snakebit early years of the Patriots and a thorough examination of the personnel deals and philosophy that have lately brought in the players who won Super Bowls for them....He's done enough to make me return to the couch on Sunday." --Jay Jennings, "The New York Times Book ""Price's research is thorough, and his storytelling shows a creative flair....There is so much good material here."--"The Boston Globe""Price's level of research is evident.
