Von James Brown : The Bodyguard's Bible: The Definitive Guide to Close Protection (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bodyguard's Bible: The Definitive Guide to Close Protection (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Bodyguard's Bible: The Definitive Guide to Close ProtectionVon HenriEnglischsprachiges Buch fr Personenschutzer. Vieles ist auch fr andere in der Sicherheit Angestellte interessant. Der Autor geht in vielen Bereichen vom Vereinigten Knigreich aus, die Tipps sind aber umsetzbar.

Kurzbeschreibung This is a complete and comprehensive manual covering all aspects of close protection. It's based upon decades of practice and experimentation in the real world. The Demonstrations, techniques and explanations are distilled from this experience. In print this book weighs two and a half pounds, with 400 large pages and over 150 photo's and illustrations, all of which are included in this Kindle version. Be aware, if you are looking for a book with lots of machine pistols and guys wearing sunglasses, then do not buy this book. If you want to learn about bodyguards and Close Protection in the real world, then this the the book you need. American Security Management Magazine said The Bodyguards Bible, a well-written book with 38 chapters that flow nicely, informing the reader and maintaining his or her interest. Brown does an excellent job of disassociating bouncers from security professionals who protect the rich, famous, and powerful. Professional Security Magazine said of the book Browns done a service with this definitive guide to CP. Its a hefty manual that covers the works, Browns Achievement is to describe Close protection as it should be. The print version of this book costs \$48 or 29.99 This Kindle version is considerably less but includes every aspect of the paper book including passwords for the associated website downloads. This book is THE standard text for the bodyguard industry and is required reading for many of the worlds close protection courses. It really is the Bodyguard's Bible.
