**Von Charles Cale Lehman : The Book of Andrew: A Past-Life Memoir (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Andrew: A Past-Life Memoir (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Wunderbares Buch, das die Tiefe der Botschaft Jesu endlich deutlich machtVon rauschebaerIch habe mich lange Zeit mit der christlichen Botschaft beschäftigt und bin immer wieder an Stellen gestoen, die ich in der kirchlichen Lehre schwierig zu verstehen finde. Dieses Buch schafft endlich Klarheit und stellt dar, dass Jesu Botschaft im Wesentlichen

eine Botschaft der Liebe ist und dass daher jegliches Urteilen über das Verhalten einer Person, gerade im ethischen Kontext, im Grunde genommen ein Urteil über einen selbst ist. So war gelebte Homosexualität, gerade für die Kirchen, schon immer ein Problem, was aber der Botschaft der allumfassenden Liebe entgegensteht. Ich habe durch dieses Buch die Botschaft Jesu als das, als was ich sie im tiefsten Inneren meines Herzens empfunden habe, erfahren: Wir sind alle eins und die einzige Wahrheit ist die Liebe. Ich würde dieses Buch jedem spirituell aufgeschlossenen Menschen unbedingt empfehlen.

**Kurzbeschreibung** This is a true story. Charles, a very young Southern child, tells his sister that he really should have been named Andrew. Decades later, an important early teacher of A Course in Miracles, a scholarly psychologist not given to visions, has a clairvoyant experience upon meeting Charles. He is startled to see a name emblazoned on Charles' forehead.... Andrew. Charles goes to London and a famous psychic there tells him, You knew Jesus. He has extraordinary mystical experiences and informative dreams, including revelations about biblical distortions and some disciples in love with each other. Haunted by the idea that he has something important to accomplish in this life, he continues his search for the truth and has at least one experience of enlightened bliss. Wondering if he may indeed have lived as the Apostle Andrew, he is guided to see Bruce Gregory for a brief series of hypnotic past-life regressions. Like a journalist sent back in time, Charles sees not only that he lived as Andrew, and that he and the Apostle Philip were lovers, but that Jesus blessed their union and, in effect, married them. Understandably shaken, Charles Lehman utters a powerfully simple prayer, If it is to be, let it be. Shortly after, he begins to be awakened early each morning, at the time mystics say the veil between worlds is thinnest, to receive vivid memories in a flood of images, words, and emotions. These memories constitute the main text of The Book of Andrew, an astonishing Past-Life Memoir, Witness of a Gay Apostle..
