Courtesy of Teens Read TooVon TeensReadTooGold Star Award Winner!Readers of Jenny O'Connell's first book for teens, PLAN B, will have high expectations for THE BOOK OF LUKE--and they won't be disappointed!When nice girl Emily Abbot's family moves from Chicago back to Boston in the middle of her senior year, Emily and her two best friends come up with a plan that is not so nice. It's a project for their class time capsule, but it won't be the typical scrapbook or mix CD. They'll write a handbook for guys about girls. And who better to test out their theories on than arrogant Luke Preston? Emily, the three friends decide, will be the perfect person to try it out and report back. After

all, Luke would never suspect the nice little Emily he knew way back when...But Emily's not what she used to be. Before she knows it, however, the experiment has gone horribly wrong. Wrong in that Emily finds herself falling head over heels for her experiment! THE BOOK OF LUKE is a funny, original story guaranteed to have readers fascinated from first page to last! This fresh, honest novel is full of amazing characters and excellent writing. Jenny O'Connell is a smart, talented author; I'm really looking forward to seeing what she writes next! This is contemporary fiction at its best; readers will not be disappointed. Reviewed by: Jocelyn Pearce 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Buch! Von neelie Es macht mir bei jedem Lesen ein ganz tolles Kribbeln im Bauch, die Geschichte ist einfach herzerreißend und es ist toll geschrieben! Ich möchte an dieser Stelle aber nicht so viel verraten wie so manch anderer hier, also lest diesen Einblick den es gibt, so wie ich :) ich war danach so begeistert das ich es gleich gekauft habe! 1 von 2 Kunden fanden die folgende Rezension hilfreich. gute Unterhaltung Von LenaMH Das Buch hat mich von Anfang an unterhalten, man kann hier zwar nicht von einem neuen Must-Have sprechen, jedoch ist es empfehlenswert, wenn man sich mit Schullenglisch (ich bin in der 10. Klasse) an einen kleineren Roman machen möchte. Das Englisch ist relativ einfach gehalten und wenn man eine Vokabel mal nicht versteht kann man alles aus dem Zusammenhang erschließen, man lernt auch ein paar neue Sachen. Worum es in dem Buch geht ist wohl aus der Kurzzusammenfassung hervor. Es geht um Fehler die man in seiner Jugend macht und um die ach so verwirrende Liebe im späten Teenialter, um Dummheiten, die erst im Nachhinein, bzw. eigentlich von Anfang an, rger-bringend wirken, einen aber trotzdem nicht von ihnen abhalten, da man manchmal nicht weiß wie man mit ihnen umgehen soll. Ein seriöser Liebesroman, der auch ein paar lehrreiche Dinge enthält. Auch die einzelnen Kapitelüberschriften aus dem "Book of Luke", die das Verhalten von Jungs kritisieren, sind sehr unterhaltsam und manchmal findet man sich selbst bzw. einen männlichen Bekannten in ihnen wieder: "The Guy's Guide Tip #13: Bodily noises are not cause for high fives, chest bumps, or other forms of celebration. Kepp them to yourself." LG und viel Spaß :-)

**Kurzbeschreibung** From the bestselling author of Plan B comes a funny and touching new novel about a girl, a boy, and a notebook that could ruin everything. Emily Abbott has always been considered the Girl Most Likely to Be Nice -- but lately being nice hasn't done her any good. Her parents have decided to move the family from Chicago back to their hometown of Boston in the middle of Emily's senior year. Only Emily's first real boyfriend, Sean, is in Chicago, and so is her shot at class valedictorian and early admission to the Ivy League. What's a nice girl to do? Then Sean dumps Emily on moving day and her father announces he's staying behind in Chicago "to tie up loose ends," and Emily decides that what a nice girl needs to do is to stop being nice. She reconnects with her best friends in Boston, Josie and Lucy, only to discover that they too have been on the receiving end of some glaring Guy Don'ts. So when the girls have to come up with something to put in the senior class time capsule, they know exactly what to do. They'll create a not-so-nice reference guide for future generations of guys -- an instruction book that teaches them the right way to treat girls. But when her friends draft Emily to test out their tips on Luke Preston -- the hottest, most popular guy in school, who just broke up with Josie by email -- Emily soon finds that Luke is the trickiest of test subjects . . . and that even a nice girl like Emily has a few things to learn about love.
