Von Paul Fleischman : The Borning Room (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Borning Room (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fleishman Strikes a 5 again!Von Ein KundeAs I read reviews of Fleishman's work, it seems that he definitely strikes more of a chord with adults, than with younger people for the most part. Reading his work as an adult is very meaningful, because I've experienced life a bit more and want to ponder on the world around me. I read this book and was struck by the wonderfully vivid accounts of nature. I truly felt I was there, walking among the trees, opening doors and windows and cupboard drawers. This is the first book I've ever read that I wanted to reread even before I had finshed it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautifully written but dullVon Ein KundePaul Fleischmann uses a lot of vividly touching imagery and skillful metaphors, but this story lacks most real

conflict, or even a truly memorable climax. The result is a story that reminds me of a beautiful painting of a bowl of fruit. It is well done and the artist has talent, but it is not memorable or unusual. It's the kind of book that you read more than once, but not the kind that influences your life and thinking. Georgina's life is ordinary, and so is she, which is comforting in this world but makes her story a bit dull. Von 0 Kunden fanden die folgende Rezension hilfreich. Not Exciting Von Ein Kunde I liked this book a little because it showed me how a girl, about twelve years old, lived in the middle 1800's. It has a slight glimpse of social history and how she felt about the birthing room. I would recommend this book to those who like books which the setting takes place in the 1800's. I rate this book a two because a lot of parts I couldn't understand, and it was very boring.

Kurzbeschreibung Mothers give birth in the birthing room. The dying take their departure there. Outside the Lott family's Ohio farmhouse, the Civil War rages, slavery falls, and the world marvels at the wonder of electricity. Inside, within the walls of the birthing room, Georgina Lott will experience her life's greatest turnings. Across the years, she discovers womanhood and first love, experiences the mourning that comes with loss, and, as did her mother and grandmother, at last takes her place in the room as another precious life is about to begin. Kurzbeschreibung Mothers give birth in the birthing room. The dying take their departure there. Outside the Lott family's Ohio farmhouse, the Civil War rages, slavery falls, and the world marvels at the wonder of electricity. Inside, within the walls of the birthing room, Georgina Lott will experience her life's greatest turnings. Across the years, she discovers womanhood and first love, experiences the mourning that comes with loss, and, as did her mother and grandmother, at last takes her place in the room as another precious life is about to begin. Synopsis Lying at the end of her life in the room where she was born in 1851, Georgina remembers what it was like to grow up on the Ohio frontier.
