Von Phyllis Reynolds Naylor : The Boys Start the War (Boy/Girl Battle) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boys Start the War (Boy/Girl Battle):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. THIS BOOK WAS ABSOLUTELY HILARIOUS!Von LauraThe Boys Start the War; The Girls Get EvenI especially like these books since it was the type of book that has a boys vs. girls sort of thing, also with revenge in it and I happen to really like books like that. These books are about the Hatford boys vs. the Malloy girls. It all started when the Hatford boys, Josh, Jake, Wally, and Peter, best friends, moved out and the Malloy sister moved into their house in stead of

boys like the Hatford boys thought it would be. The Malloy sisters are Caroline, Beth and Edith Ann (or as she preferred it in the book, Eddie). The pranks and tricks on each other started when the Hatford boys decided that by making the girls so miserable they'd want to go back to where they came from, Ohio. However the boys didn't think that the girls would get revenge on the Hatford boys prank on them. So, begins the war. Then in the second book, since these two books are put into one, it goes on about more tricks, pranks, and ways of getting revenge on each other. Some of the tricks are when the Malloy girls take their revenge against the Hatford boys, when Caroline Malloy got to be a queen in a play the fourth grade were having, and Wally Hatford was her footman. Then a plot was formed, for Halloween night, and it was in store for the Malloy girls from the Hatford boys. I thought that all these pranks that were done, were really funny, and some you can even consider doing yourself, if you want to get revenge or even somebody! I found this book absolutely hilarious, and full of life. I would recommend this books towards everyone, but especially those who like books that are girls vs. boys, or ones with revenge, or books that are funny. To rate this book, I give it a perfect five stars.0 von 0 Kunden fanden die folgende Rezension hilfreich. THIS BOOK WAS ABSOLUTELY HILARIOUS! Von Ein KundeIn this fast-moving, funny book which is two in one, the Hatford boys try to get the Malloy girls to move back where they came from. Their friends, the Bensons, moved away and the Malloys moved in to their house. In The Boys Start the War, the boys and girls start pulling pranks on each other, each one more hilarious than the next! In The Girls Get Even, the two families try to outdo each other in Halloween costumes, until a surprising turn of events happen! This book is great!

KurzbeschreibungIt's the summer holidays--time for camping, fishing or just lazing, until girls move in next door. That means war, but the girls know how to fight back. Phyllis Reynolds Naylor is the winner of the Newbery Medal.From Kirkus sIt's not the Hatfields vs. the McCoys, but a feud nonetheless when the four Harfield brothers square off against their new neighbors, the Malloy sisters. It begins when Caroline, Edith Ann (Eddie), and Beth Malloy catch the Harfields dumping dead animals into the stream separating their properties; in response, Caroline--a consummate actress--plays dead, and as the horrified brothers watch, her sisters sadly throw her in. Once school starts, it's open war. With quick wits and inventiveness on both sides, the antagonists are evenly matched; and even when their pranks go awry, they suffer more fury (or embarrassment) than harm. Naylor has to labor hard to keep the rivalry going-- whenever it's about to die away naturally, someone decides it's too much fun to stop--so that the plot seems a little forced, even though the characters are lively and well-developed. Where will it all end? Not here--a sequel is promised. (Fiction. 10-12) -- Copyright 1993, Kirkus Associates, LP.
