Von Robin Moore : The Bread Sister of Sinking Creek (The Bread Sister Trilogy Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Bread Sister of Sinking Creek (The Bread Sister Trilogy Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent historical fiction piece, STRONG female as hero Von Ein Kunde The first of the Robin Moore trilogy of Maggie, and her adventures in early Pennsylvania. The strong female character is a wonderful role model for adolescent girls. Yet, many boys in my class are avidly reading the sequel, when Maggie is captured by the Seneca

Indians. An exciting story, where the characters have a real depth, beyond what is generally available in children's fiction. The author visited our elementary school, did workshops for our students, and told them to write from what they knew. All of these events relate to his family's history, of growing up in this ten mile area. As an author, he respects children, and values their ideas. By never talking down to them, he has made the life of Maggie Callahan come alive with a richness of the English language. It is rare that a book can make you visualize exactly what you are reading, and in such detail. Yes, most of my fourth graders, who are also hooked on Harry Potter are now finding a parallel universe in the Bread Sister Trilogy.

Kurzbeschreibung Here is the unforgettable story of 14-year old Maggie Callahan and her struggle to survive in the wilderness of Central Pennsylvania. Maggie is on her own. All she has is her strange inheritance from her Irish Aunt Franny--a pouch of "spook yeast" which contains the secret to making the finest bread on the frontier. But what good will it do Maggie in this wild and unforgiving land? This is Book One in the widely-acclaimed Bread Sister Trilogy, a blend of heart-pounding adventure, gritty historical detail and good old-fashioned storytelling which has kindled the imaginations of generations of readers. Designed to be read aloud by parents and their children. For ages 8 and up.
