Von Juliet Barker : The Brontes (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Brontes (English Edition):

The best biography of the Brontes yetVon Ein KundeThis biography will remain the authoritative work on the Brontes for the foreseeable future. Barker's scholarship is exemplary; she refuses to look at these extraordinary figures through the

gauze of legend, and debunks a number of fanciful notions concerning them. The book is crammed with little known bits of information that have not come to light in all the scores if not hundreds of books written on the subject. Its breadth is encyclopedic--no one interested in the Brontes can be without this book0 von 0 Kunden fanden die folgende Rezension hilfreich. War ein Weihnachtsgeschenk fr meine SchwiegertochterVon CarolaWar ein Geschenk, aus diesem Grund kann ich persnlich nichts zu dem Inhalt sagen, doch es war ein Wunschgeschenk undich denke es ist ein wundervolles Buch.

KurzbeschreibungThe story of the tragic Bronte family is familiar to everyone: we all know about the half-mad, repressive father, the drunken, drug-addicted wastrel of a brother, wild romantic Emily, unrequited Anne and 'poor Charlotte'. Or do we? These stereotypes of the popular imagination are precisely that - imaginary - created by amateur biographers from Mrs Gaskell onwards who were primarily novelists, and were attracted by the tale of an apparently doomed family of genius. Juliet Barker's landmark book was the first definitive history of the Brontes. It demolishes myths, yet provides startling new information that is just as compelling - but true. Based on first-hand research among all the Bronte manuscripts, many so tiny they can only be read by magnifying glass, and among contemporary historical documents never before used by Bronte biographers, this book is both scholarly and compulsively readable. THE BRONTES is a revolutionary picture of the world's favourite literary family.'As a work of scholarship it is brilliant . . . For those with a passion for the Brontes, or for Victoriana, or for sheer wealth of historical minutiae, it is a stupendous read' INDEPENDENT ON SUNDAYWerbetext* Abacus reissue of Juliet Barker's unrivalled biography of the Bronte sisters, revised for this editionKurzbeschreibungThe story of the tragic Bronte family is familiar to everyone: we all know about the half-mad, repressive father, the drunken, drug-addicted wastrel of a brother, wild romantic Emily, unrequited Anne and 'poor Charlotte'.
