Courtesy of Teens Read TooVon TeensReadTooFans of CHARLIE AND THE CHOCOLATE FACTORY will want to check out Wendy Mass's THE CANDYMAKERS, and if nothing else, the colorful cover is sure to attract interested readers.Life is Sweet Candy Company is hosting a candy-making contest. Four contestants will be trying to create the winning candy recipe for Region Three. They are to report to the candy company two days before the contest, for a

whirlwind tour and a chance to get acquainted with the equipment they will be using for the contest. The four contestants include Daisy, Philip, Miles, and Logan. Each one has a very personal reason for wanting to be involved in the contest; reasons that don't necessarily include wanting to win. Their motivations include revenge, a secret spy mission, and the desire to make candy-making parents proud. Each contestant presents their story to the reader. They may all be at the same location and subject to the same contest rules, but each has a unique twist to their personal story, filling THE CANDYMAKERS with plenty of surprises. Author Wendy Mass once again proves she is a master storyteller. Reviewed by: Sally Kruger, aka "Readingjunky" 0 von 0 Kunden fanden die folgende Rezension hilfreich. Life is Sweet Von Pam N In die Life is Sweet Sigkeitenfabrik werden jedes Jahr vier 12-jhrige eingeladen um an den alljhrlichen Wettbewerb teilzunehmen. Die Aufgabe besteht darin neuartige Sigkeiten zu erfinden. Dieses Jahr nimmt der Sohn des Fabriksbesitzers an dem Wettbewerb teil. Eigentlich ein Klacks fr ihn sollte man meinen, jedoch ist seine Idee etwas schwer umzusetzen. Das Buch war fr mich ganz klar wieder eine Coverkauf. Bunt, schrill und ganz viel Ses. Da schlt das Herz jedes Schleckermauls etwas schneller. Der Schreibstil war einfach zu verstehen und hat mir sehr gut gefallen. Ich konnte von Anfang bis Ende alles gut verstehen und es hat richtig Spa gemacht das Buch zu lesen. Die Autorin hat mit der Fabrik eine unglaublich tolle Kulisse geschaffen. Die Charaktere waren alle unterschiedlich mit eigenem Background und haben die Story ungemein bereichert. Mehr wollen wir dazu gerade nicht sagen ;) Einfach lesen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Buy this book! Von ({{}}) As the storyline has already been described, I only want to add that I have read this book twice and loved it both times. Because of the different points of view, there is always something new to discover each time you read the book. The story is funny and creative but also very touching and finally comes to a satisfying end. As I find this price very acceptable, I would recommend you buy this book if you are interested in non-creepy mysteries, scars and spies and of course- candy!

Kurzbeschreibung Four children have been chosen to compete in a national competition to find the tastiest confection in the country. Who will invent a candy more delicious than the Oozing Crunchorama or the Neon Lightning Chew? Logan, the Candymaker's son, who can detect the color of chocolate by touch alone? Miles, the boy who is allergic to merry-go-rounds and the color pink? Daisy, the cheerful girl who can lift a fifty-pound lump of taffy like it's a feather? Or Philip, the suit-and-tie wearing boy who's always scribbling in a secret notebook? This sweet, charming, and cleverly crafted story, told from each contestant's perspective, is filled with mystery, friendship, and juicy revelations.
