Awesome diary of a great traveller / Cooles Tagebuch eines WeitgereistenVon Richard KernI've been following Niall's blog and website for quite a while and was looking forward to reading this book. And it was a great and mostly very funny read indeed.It's a great account on how character building traveling and living outside of one's comfort zone can be. Nialls way of describing situations in foreign countries and his complete honesty makes it great. Well done, hope there are many more stories forthcoming from your future travels. Safe journey!Habe Niall's Blog und

seine Website schon seit langer Zeit verfolgt und mich sehr auf dieses Buch gefreut. Es war super und lustig zu lesen. Das Tagebuch beschreibt fuer mich auch, wie sehr eine lange Reise und das staendige Leben ausserhalb der "Komfortzone" jemanden weiterentwickelt. Niall's Beschreibungen von fremden Laendern und seine voellige Offenheit macht das Buch grossartig. Das Buch ist in Englisch geschrieben.1 von 1 Kunden fanden die folgende Rezension hilfreich. InspirationalVon SvizzeraWhat else can I say.It's about a guy who experiences a lot of interesting things, narrated in a very clear way, easy to understand as a non-native as well.A very compact and nice to have reading for a 3-4 day holiday stay.
