Shows the Catholic Church is the true Bible ChurchVon Ein KundeWant to go to a Bible Church, go to the Catholic Christian Church. Fr. Stravinskias does an excellent job in showing that the Mass is full of Biblical quotes and prayers. He also

shows why the Bible is distinctively Catholic in its origin.

Kurzbeschreibung Are Catholics biblical illiterates? So goes the frequent question, proving that myths die hard. But Catholics ought to be able to answer the charge made by many non-Catholics in this regard. This book is a response to Fundamentalist critics and an explanation of the Catholic biblical tradition. The Catholic Church and the Bible is a significant scriptural study guide, published from a Catholic perspective and particularly keyed to the new Catechism of the Catholic Church. The well-planned, straight-forward text is clearly outlined to make information easy to find and understand. Main topics include: The Catholic understanding of the Bible God's Word and its purpose in the Church A biblical theology of the Mass, the place of the Bible in the Sacred Liturgy A question-and-answer section that deals with pertinent and popular inquiries made by Catholics and non-Catholics alike This work should be heartily welcomed by both clergy and laity, for Father Stravinskis sheds new light on Catholic Bible study by writing with candor, clarity and scriptural backing. This is ideal for high schools and RCIA programs.
