Great devotional resource Von Jonathan Bennett This prayer book is excellent for personal devotion and for a glimpse into the life of the Church. It includes a variety of prayers for many different occasions. The book is divided into three parts: 1) The Christian Vocation: This part includes prayers addressed to the Trinity. It contains the Jesus Psalter, the Litany of the Sacred Heart, the Way of the Cross, and the Devotion to the Five Sacred Wounds, as well as various Psalms and other prayers. 2) The Sacraments: This section has the prayers and liturgy relating to Baptism, the Eucharist, and

Reconciliation. The latter is particularly useful in personal devotion since it contains excerpts from the penitential Psalms. 3) Prayer: This is the longest section and has daily prayers (e.g. morning prayers), family prayers (e.g. grace before meals), the Jesus prayer, and prayers for special occasions (e.g. for peace, for the harvest). It also has prayers to Mary and the Saints. Although Michael Buckley wrote some of the prayers, most have been taken from famous Christian authors. They come from many periods of Church history, ranging from the earliest days until modern times. Prayers by notable Protestants such as T.S. Eliot and William Barclay are included, but most of the writers are Roman Catholic. I would recommend this book to everyone, Catholic or non-Catholic, who wants to enrich his/her prayer life. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent for converts as well as 'cradle' Catholics. Von Ein Kunde While it doesn't contain some of my personal favorite prayers and novenas, this is a well rounded and very nice prayer-book. In addition to dozens of prayers, short and long, it also contains a basic, 'fits all Masses' outline of the Mass, very helpful to myself (a convert) and my (very confused at Mass) non-Catholic fiancée. The organization of the book is also very thoughtfully done, with the prayers grouped in sections of similar prayers. I highly recommend this book both for personal use and as Confirmation gift. The compact size travels easily, and my soft-bound copy has held up very well for nearly 5 years now. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent compilation of wonderful Catholic prayers. Von Ein Kunde This book has become a constant companion to me. The organization of the prayers makes it easy to find just the right prayer for any occasion. There are variations available to suit every taste. From very formal prayers to modern prayers. I would recommend this prayer book for anyone Catholic who wants to begin or enhance their prayer life.
