The real DealVon Ein KundeThe calcutta reviewer says that Rampa does not follow orthodox tibetan buddism. Rampa has emphasised that point many times! Mystics and especially occultists are always different from any orthodoxy.In the book Rampa tells us that there is several such repositories around the world. One of them Being underneath the sphinx. The book was published over 30 years ago. Very recently we have discovered a big cavern underneath the

Sphinx - using state of the art equipment.I wonder - Mr calcutta - Did Rampa learn that from Blavatsky?
