D.C. Area Bargains Von Stella Carrier "The Cheap Bastard's Guide To Washington D.C.: Secrets of Living the Good Life-For Free" is definitely an informative guide. Fortunately, I found out about this book via the recommendations button. This guide contains some extensive details on the various plays, museums, and other events in the area for low-cost and/or free. Before this book, I originally thought that one had to have connections and/or know many people in order to get into some of the plays for free and/or at a discount. Thanks to this guide I now am aware that this is far from the case, and I only wish that I knew about this book six months ago. However, as they say "better late than never". There is something for everyone in this book. For example, I found some good information on the various dance classes (for whenever I feel courageous enough to take the leap). In addition, I found some detailed listings on the various meditation classes and poetry places. The wide range of recreational classes, comedy centers, and tours are also included. This book is great for anyone who is looking for a multi-dimensional range of activities to do in the D.C. area.

Kurzbeschreibung Living big for less in America's capital Living big in America's capital takes just the sort of big bucks that fewer and fewer folks have at their disposal these days, right? Think again. Washington, D.C., is full of free and ridiculously cheap stuff one just needs to know where to look. Leave it to The Cheap Bastard to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor. The Cheap Bastards Guide to Washington, D.C. contains hundreds of ideas for living on the cheap without sacrificing necessities or luxuries. It shows: How to gain free entrance to plays, films, concerts, and museums Where to find free classes in anything from yoga to sailing Where to find half-price meals and free, filling, scrumptious food How to get a free haircut, color treatment, manicure, or low-cost massage When and where to find great furnishings in other people's trash With The Cheap Bastards Guide to Washington, D.C., anyone from students and recent graduates to frugal businesspeople, not to mention the capital's millions of recession-weary annual visitors can enjoy the good life . . . for less!
