Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 5 Kunden fanden die folgende Rezension hilfreich. Charming book written in very elegant manner Von Ein Kunde I hesitate to compare the writing in this historical text to Shakespeare, however it will make you wish you could write this well. This is a highly entertaining book for people of all education levels with truly beautiful language. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Pleasure to

read Von Gianni Zanetti wonderful timeless summary by Michael Faraday, a joy to read and share his views to the physical world, humor and understanding
