Von Ross Bernstein : The Code: The Unwritten Rules of Fighting and Retaliation in the NHL before purchasing it in order to gage whether or not it would be worth my time, and all praised The Code: The Unwritten Rules of Fighting and Retaliation in the NHL:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. If you're a hockey nutVon Birgit Scholz... this is maybe not the right thing for you.Aber um einen grundlegenden Einblick

"hinter die Kulissen zu bekommen" und "das Basis-Wissen, von dem was auf dem Eis passiert" als "NHL-Neuling" zu erhalten, ist es okay, wenn man der englischen Sprache mächtig ist. Ich fand es informativ, amüsant, flüssig zu lesen und gut zu verstehen. Eher "leichte Lektüre" halt. Erwartet nichts zu Großes.

Kurzbeschreibung For decades, hockey crowds have been brought to their feet for one of the most exciting aspects of NHL game: the fights. *The Code: The Unwritten Rules of Fighting and Retaliation in the NHL* by Ross Bernstein takes you in-depth and behind the scenes to explore the history of fighting during hockey games and the honor system behind it. More than 50 NHL players, coaches, and media personalities were interviewed to examine how players go about their business during a fight on the ice. They explain why fighting is allowed and what tactics are used before, during, and after the melees. *The Code: The Unwritten Rules of Fighting and Retaliation in the NHL* discusses the top reasons why the gloves come off during hockey games.

Synopsis Ice hockey has always been a sport steeped in a culture of violence, and players universally calibrate the level of physical contact by adhering to unwritten rules known simply as "the code". "The Code" picks up where the rule book leaves off and fills in the gaps, all in an effort to govern the game and its players - allowing them to compete in a manner deemed fair and respectable. To fully understand the significance and history behind "the code", Bernstein interviewed more than 50 past and present players and coaches. Their insights and stories explain why fighting is allowed, and how players police themselves on and off the ice.
