KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooRyan Walsh is a girl who loves the Chicago Cubs. It's not just about baseball to her, though. It's more about her dad, who passed away when she was ten years old, who sparked her love for the team. She's a freshmen in high school now, and the year didn't turn out quite how she wanted it to, with her drifting further

apart from her grade school friends, Kate and Sydney. Everything changes for Ryan on Opening Day, when she goes to Wrigley Field to try and scalp a ticket. Though she ends up having to enjoy the game outside of the stadium, it's all worth it, for that day is when she really meets the new kid at school, Nick. From then on, they have a relationship that builds quickly based on things like baseball and knowing when to just be silent together. Things are finally starting to look up for Ryan, when it all starts to get out of her control again. The feelings of helplessness. The fear. In the end, Ryan will have a hard lesson to learn. How to move forward, without forgetting the past. **THE COMEBACK SEASON** was an amazing story about getting through the tough times in life to make it to the other side. The friendship between Ryan and Nick is warming and hilarious at the same time, reflecting the lives of friends all over the world. Jennifer E. Smith mixes life...love...death...strength...and baseball in a beautiful way that will keep you flipping the pages and ready to tread through the journey alongside Ryan. You'll laugh, you'll cry, you'll be happy, you'll be mad. But most of all, you'll love this book, whether a fan of sports or not, because more than that, it's simply a story of learning how to live and thrive during the good and bad times. Kurzbeschreibung Baseball brings them together but will his secret keep them apart? Find out in this heartbreakingly beautiful novel from Jennifer E. Smith, author of *The Statistical Probability of Love at First Sight*. The last place Ryan Walsh should be this afternoon is on a train heading to Wrigley Field. She should be in class, enduring yet another miserable day of her first year of high school. But for once, Ryan isn't thinking about what she should be doing. She's not worried about her lack of friends, or her suffering math grade, or how it's been five whole years since the last time she was really and truly happy. Because she's finally returning to the place that her father loved, where the two of them spent so many afternoons cheering on their team. And on this the fifth anniversary of his death it feels like there's nowhere else in the world she should be. Ryan is once again filled with hope as she makes her way to the game. Good luck is often hard to come by at a place like Wrigley Field, but it's on this day that she meets Nick, the new kid from her school, who seems to love the Cubs nearly as much as she does. But Nick carries with him a secret that makes Ryan wonder if anyone can ever really escape their past, or believe in the promise of those reassuring words: Wait till next year. Is it too much for Ryan to hope that this year, this season, might be her comeback season? *Pressestimmen*"A wonderfully written story about love, heartache, and loss that digs deep into the most important lesson sports have to offer us -- hope. As Smith so eloquently tells us, it's not about winning or losing, it's about stepping up to the plate, over and over again. This story -- impossible to put down -- will stay with you like your biggest loss...and your greatest comeback." -- Tim Green, author of *Football Genius* and *Football Hero*"Jennifer E. Smith has taken the themes of young love, deep loss, and professional baseball -- in the form of the hapless Cubs -- and turned them into a terrific read that overflows with passion and insight. Lessons about the saving nature of hope pervade this story of memory and yearning. Here's one old sportswriter who calls *The Comeback Season* a leadoff homer by an All-Star rookie." -Rick Telander, senior sports columnist, *Chicago Sun-Times*"In a deeply touching and profound debut, Jennifer E. Smith sensitively explores the parallels and intersections between the game of baseball and the game of life. Smith is a writer and a fan who understands the details and depth of the great American pastime and of the human heart as well." -- Bob Krech, author of *Rebound*"*The Comeback Season* is a warm and brave, if heartbreaking, story about first love. It will make you cry and laugh and cry again!" -- Melissa de la Cruz, author of *The Au Pairs* and *Blue Bloods*"*The Comeback Season* is one of those books that breaks your heart -- and can't be put down. It is a beautifully written story about loss of innocence, the strength of the human spirit, and why there is nothing quite like being a Chicago Cubs fan." -- John Feinstein, bestselling author of *Last Shot*, *Vanishing Act*, and *Cover-up*Kurzbeschreibung Baseball brings them together but will his secret keep them apart?
