**Von Thomas Harrop : The Complete HDR Zone System Primer (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete HDR Zone System Primer (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good bookVon Sveta V. DragovicIt is not the right book for Kindle. The visual examples are not best seen on Kindle page. Otherwise, the book is very good, shows relation between chemical and digital photography.

KurzbeschreibungThis book presents Professor Thomas Harrop's innovative approach to using the traditional Zone System with digital cameras using high dynamic range imaging. The system allows photographers a range of control never before seen in photography.KurzbeschreibungThis book presents Professor Thomas Harrop's innovative approach to using the traditional Zone System with digital cameras using high dynamic range imaging.
