Von Walt Frazier : The Complete Idiot's Guide to Playing Basketball before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Playing Basketball:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Clyde covers the basics entertainingly and understandably.Von Ein KundeClassy Clyde Frazier covers the fundamentals of basketball: the vocabulary, the role of each position, the basics of offense and defense, and a few common set plays. His writing is fun to read if a bit dumbed-down (hence the title). He draws examples largely from his playing days, but knows well and comments aptly on players of all eras. He draws the distinctions between college and pro ball and includes women's and high school ball, but properly focuses primarily on the NBA, where the game is played at its highest level. He shows you what to focus on when you watch a game and demonstrates how each player's skills come into play in the course of offense and defense. This book will enhance the novice's appreciation for and enjoyment of the game; from what I have read of Digger Phelps' "Basketball for Dummies," I'm glad I read Clyde's book instead.0 von 0 Kunden fanden die folgende Rezension hilfreich. a great bookVon MAXIMILLIAN MUHAMMADthis book is

a must for folks that respect the basics of Basketball.and who better to showtell than one of the Greatest players of All-Time in Walt Clyde'Frazier.he was a great defensive playerscorer.also he knows that Wilt Chamberlin was the Greatest Player ever.he breaks everything down.

KurzbeschreibungWhether watching from a courtside seat or from the luxury of a living room couch, sports fans want to know exactly what's going on in between those two hoops-from what the players are thinking, to why fouls are called, to anticipating what the players are going to do before they actually do it. And there is no better man to explain the ins and outs of America's hottest sport than the Knicks' former star guard, Walt Frazier. In his inimitable voice and style, "Clyde" turns it on as he describes the basics basketball in simple terms anyone can understand, and clues readers into what makes stars such as Michael Jordan so invincible. Includes exciting action photos and a wealth of "Clyde's Chalk Talk," "Clyde's Record Book," and "Clyde's Tips" sidebars.
