Confident Woman" changed my way of thinking! Von Ein Kunde This book totally changed my way of thinking! Anabel describes how we are all programmed to think a certain way about ourselves by how others treat us and what others say to us. She outlines several scriptures that hold the truth about who we really are! You can sense that Anabel has a very tender heart and she seems to try her best to speak truth without offending anyone. This is such a great book, I'm buying a case just to give to my friends and family. In my opinion, every woman (these days) will find great benefit in reading this wonderful book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. This was truly a life-changing book for me! Von Ein Kunde Our church did a woman's bible study on this book a few years back. I gave my copy away to a friend in need, who is now long gone. I want another copy to use for reference. It was a valuable tool used to renew my mind.
