**Von Souya Himawari : The Conqueror's Chalice (Yaoi Manga) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Conqueror's Chalice (Yaoi Manga) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Groartig mit Hollywood-EndeVon CustomerDieser Manga kann knstlerisch voll berzeugen. Die Zeichnungen sind delikat, die antiken Gewnder sind flieend, Hintergrnde werden detailliert gestaltet. Es gibt eine Stufe darber, aber die ist endgltig gttlich.Vom sthetischen Gesichtspunkt betrachtet: wunderschn.Auch die harte Realitt wird in der Geschichte thematisiert, gewiss keine standardisierte BL-Kost. Der Ursopator Masoo erschleicht sich das kindliche Vertrauen des

einzigem überlebenden der niedergemetzelten unterlegenen Dynastie, um es schlussendlich grausam zu missbrauchen. Er degradiert ihn, kaum erwachsen geworden, zum Spielzeug. Der Missbrauchte, Prinz Kisame, sinnt glaubhaft auf Rache. Schade nur, dass diese glaubhafte Story am Schluss doch dem Drang zum Happy End nachgibt, Kisame im sexuellen Missbrauch die Liebe entdeckt - und alles gut wird. Das ist erschütternd.
