**Von Alexandre, 1802-1870 Dumas : The Corsican Brothers** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Corsican Brothers:

like thoreau's bloated "cape cod".)don't expect d'artagnan or edmond dantes, but settle in for a pleasant afternoon's read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Dumas is not up to parVon Ein KundeThis is a story about something that happened while Dumas was travelling in Corsica. I gave this book three stars because the plot didn't move fast enough, not at all like Dumas's other tales.
