**Von Alexander Dumas : The Count of Monte Cristo (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Count of Monte Cristo (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles BuchVon CustomerSchne bersetzung, liebe die Bcher aus der Clothbound Collection. Einziges Problem sind die Aufkleber von , das Motiv ist auf der Reckseite leicht beschdigt.5 von 5 Kunden fanden die folgende Rezension hilfreich. A Book of GeniusVon Ein KundeThe reader is drawn into the world and life (painful and devastating as it is for him) of Edmond Dantes - a poor seaman. The kind seaman happens to be promoted by his benevolent Master, which arouses some jealousy among his colleagues. Also, he is to marry a woman of undiminishing beauty. The two men (one, who wants the woman; the other, who wants the position) unite and plan to rid themselves of the innocent Dantes. It so happens, that they succeed, and he is forced to Chateau D'if.Through this fast-paced book, the reader observes Dantes who instead of becoming Captain of a poor ship, becomes a Count. He adopts the name Count of Monte Cristo and seeks not the pleasures of life, but revenge. Revenge against those who had gravely betrayed him

13 years before. And in the end, ... Well, if I told you - there wouldn't be a point to reading the book, would there? You will enjoy this witty book, by the genius of the 19th century, Alexandre Dumas, without a doubt. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Abridged version, buyer beware. Von Ein Kunde This is the abridged version of the Dumas classic. Having not read the original yet, I can only compare it to The Three Musketeers. Dumas' writing style loses energy in the abridging process. The reader ought to be aware that the story has been simplified and summarized. If you want the true flavor of Dumas, order the unabridged version.

**Kurzbeschreibung** The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815-1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood." *Pressestimmen* "Dumas was... a summit of art. Nobody ever could, or did, or will improve upon Dumas's romances and plays." -- George Bernard Shaw *Pressestimmen* "A piece of perfect storytelling." -- Robert Louis Stevenson "From the Trade Paperback edition."
