Von Lynne Graham : The Cozakis Bride (Harlequin comics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cozakis Bride (Harlequin comics):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. What Is Title Again?Von Ein KundeI have read many of Lynne Graham's books and I find that all of them are virtually identical.The hero is always a macho Greek who is overly obnoxious to the heroine and always misjudges her. He has a major sex drive and has slept with half of the female population in the world. He always has the upper hand in dictating the relationship. He is always a rich and powerful business tycoon.The heroine is always a young virgin in her twenties who actually comes off kind of dumb and childish in many ways.The couple falls in love, a big misunderstanding follows (again, the hero is always the one who makes the bad call) and the couple is somehow

reunited after years and years down the line. Of course at this point the hero still thinks the heroine is dirt because of the misunderstanding. Naturally the heroine falls in love with him despite his abusive manner. The misunderstanding or the villain is not exposed till the very end of the book which is usually the last ten or twelve pages. And naturally the heroine forgives the hero much too quick. I always think that the hero should suffer and shouldn't be forgiven within the span of 4 paragraphs. So if this plot sounds somewhat familiar to you then you have already read this book probably a dozen or so times. As cynical as I am of Graham's books - I have to admit that I still do read the last chapter of her books and skip the drivel proceeding them while standing at the bookstore. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Lynne Graham keeper! Von Ein Kunde I have read all Lynne Graham books and they are all similar in that they all feature: drop-dead gorgeous, sexy billionaire hero; virginal heroine (may be very beautiful or quite ordinary), beautiful romantic setting. What makes Lynne Graham's books stand out is her hero. He is every woman's fantasy -- stunningly handsome, sexy, and a billionaire too! He fights his love for the heroine at first and can verbally be quite cruel. But in the end, because of his great love for her, heroine can bring him to his knees. Here in *The Cozakis Bride*, hero is Greek billionaire Nik Cozakis. He is so stunning looking that heroine felt like the "Beast" and he's the "Beauty" in a role reversal in *Beauty and the Beast*. Heroine is ordinary looking but he finds her beautiful. He could not keep his hands off her. They were engaged when he was 19 and she 17 but were separated by vicious lies. They met again 10 years later. This book has all the trademark Lynne Graham features: hot chemistry, great passion, memorable scenes and dialogue, excellent story line, romantic setting, and wonderful hero and heroine. If you have not read a Lynne Graham book, you are missing out on some great reading experience! 0 von 0 Kunden fanden die folgende Rezension hilfreich. London girl makes good. Von Ein Kunde The book is one of Lynne's best and it grips your heart after the first few pages till the end. It tells of how an ordinary, headstrong girl who didn't think too much of herself falls in love with her man who is everything she is not. In this book, Lynne also throws in some more complications to the story to make it a very exciting read, maybe her best this year. Anyone would enjoy reading it and find it totally difficult to put down till the end.

Kurzbeschreibung Ten years ago, Olympia fell in love in Greece. The man she loved was the fianc her grandfather had chosen for her Nik, a sexy and gentle young man who was also something of a playboy. The two of them felt a mutual attraction, but then Nik was misled to believe that Olympia had cheated on him, and he rejected her. It was a disaster. Olympia left Greece behind her, injured by the lies. But now, her grandfather demands that she become affianced to him again.... How?
Kurzbeschreibung Ten years ago, Olympia fell in love in Greece. The man she loved was the fianc her grandfather had chosen for her Nik, a sexy and gentle young man who was also something of a playboy. The two of them felt a mutual attraction, but then Nik was misled to believe that Olympia had cheated on him, and he rejected her. It was a disaster. Olympia left Greece behind her, injured by the lies. But now, her grandfather demands that she become affianced to him again.... How?
Synopsis Olympia has no choice. Either she begs Nik Cozakis to reconsider a marriage of convenience, or her mother won't get the medical treatment she needs. Nik agrees - but on his own terms: Olympia must bear him a son and heir. Nik has seized his chance of vengeance.
