Von Al Hartley : The Cross and the Switchblade (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cross and the Switchblade (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Awesome book; not just for believersVon Ein KundeThis is a fascinating book. I read it in one sitting. Even though I am sceptical about "spiritual" things, especially regarding organized religion, the book was interesting above and beyond that angle of it. It was just interesting and heartening to read about anyone who was SO passionate about what he wanted to do. It is just fascinating to read about someone wanting to help others so much. It might make you take a

second look at your career and wonder why you aren't doing something to which you can feel so committed. No one should avoid this book because it so "christian-oriented." It is an interesting story about an incredible man in any context. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Cross and the Switchblade Von Gary LoThe book The Cross and the Switchblade, which took place in 1958, was an excellent book. It was a really inspirational story. It can open people's eyes and let them know that things in this world are worse than we think. It made me more considerate. This book is about a reverend named David Wilkerson who went to New York to get seven teenagers off a murder trial. He spontaneously went because he saw their faces in LIFE Magazine and felt the need to help them. It helped people know of a Christ through reverend Wilkerson. This story opened up a lot of people's eyes. The reverend's for one, because he didn't know that these problems existed in New York. It also affected the people that he came in contact with and the people who read his book because he was and still is an inspiration to all of them. Me personally because it helped me become more courteous and aware of people with those kinds of problems. 0 von 0 Kunden fanden die folgende Rezension hilfreich. If you want to follow Jesus... Von Ein Kunde In his autobiography, "The Cross and the Switchblade", David Wilkerson gives new insight to the meaning of Jesus' words: "If anyone would come after me, he must deny himself and take up his cross daily and follow me" (Luke 9:23, NIV). Wilkerson denied himself as he risked his life to reach out to the least of these. He lived out the compassion with which Jesus ministered. I recommend this book to anyone who needs encouragement in obeying God, especially when the road is unknown.

Kurzbeschreibung For the first time, Al Hartley's comics are available digitally enhanced with state-of-the-art technology designed just for comics. Al Hartley's comics have been called the largest selling comics in history, with sales exceeding 40 million copies including international distribution. Hartley's comics have been called the most wholesome, creative, inspiring comics ever written. Al Hartley, who worked for Stan Lee and Marvel comics drawing Spiderman, The Hulk and Ironman, received Christ as His Lord and Savior in 1967. His artistic creativity went to a whole new level with Archie comics. God got a hold of my life he often said, And the Creator began to download to me like never before. The Cross and the Switchblade is a book written in 1962 by pastor David Wilkerson with John and Elizabeth Sherrill. It tells the true story of Wilkerson's first five years in New York City, where he ministered to disillusioned youth, encouraging them to turn away from the drugs and gang violence they were involved with. The book became a best seller, with more than 16 million copies distributed in over 30 languages. This is the comic version of the same story.
