Awesome book; not just for believers  
Von Ein Kunde  
This is a fascinating book. I read it in one sitting. Even though I am sceptical about "spiritual" things, especially regarding organized religion, the book was interesting above and beyond that angle of it. It was just interesting and heartening to read about anyone who was SO passionate about what he wanted to do. It is just fascinating to read about someone wanting to help others so much. It might make you take a second look at your career and wonder why you aren't doing something to which you can feel so committed. No one should avoid this book because it is so "christian-oriented." It is an interesting story about an incredible man in any context.

The Cross and the Switchblade  
Von Gary Lo  
The book *The Cross and the Switchblade*, which took place in 1958, was an excellent book. It was a really inspirational story. It can open people's eyes and let them know that things in this world are worse than we think. It made me more considerate.  
This book is about a reverend named David Wilkerson who went to New York to get seven teenagers off a murder trial. He spontaneously went because he saw their faces in LIFE Magazine and felt the need to help them. It helped people know of a Christ through reverend Wilkerson.  
This story opened up a lot of people's eyes. The reverend's for one, because he didn't know that these problems existed in New York. It also affected the people that he came in contact with and the people who read his book because he was and still is an inspiration to all of them. Me personally because it helped me become more courteous and aware of people with those kinds of problems.

If you want to follow Jesus...  
Von Ein Kunde  
In his autobiography, "*The Cross and the Switchblade*", David Wilkerson gives new insight to the meaning of Jesus' words: "If anyone would come after me, he must deny himself and take up his cross daily and follow me" (Luke 9:23, NIV). Wilkerson denied himself as he risked his life to reach out to the least of these. He lived out the compassion with which Jesus ministered. I recommend this book to anyone who needs encouragement in obeying God, especially when the road is unknown.

Kurzbeschreibung  
A young preacher from the Pennsylvania hills comes to New York City and influences troubled teenagers with his inspirational message.  
Kurzbeschreibung  
A young preacher from the Pennsylvania hills comes to New York City and influences troubled teenagers with his inspirational message.  
Synopsis  
The story of a small-town pastor who found his real ministry among the street gangs of New York and succeeded in founding the Teen Challenge movement.
