Von Dalai Lama : The Dalai Lamas Book of Wisdom before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dalai Lamas Book of Wisdom:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. good, good!Von Ein KundeThis book is GREAT. The only reason of why i only gave this book four stars is because the content of the book seemed a little far-fetched for weak-minded humans (like myself). The ability not to like anybody, relieve yourself from anger and such, seem a bit too difficult for me to do, although after reading this book i felt compelled to try it (it only lasted about 2 days).I strongly reccomend this book.

acceptance and understanding. The only little gift book based on the words of His Holiness the Dalai Lama, this book should have tremendous appeal especially during the holiday season.
