Von JJ Fallon : The Dark Divide (Rift Runners Trilogy Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dark Divide (Rift Runners Trilogy Book 2)

(English Edition):

Kurzbeschreibung IF YOUR DESTINY WAS TO KILL, WOULD YOU KILL TO CHANGE IT? EXTRACT" Ren wished he'd had time to study Darragh's memories -- time to get a handle on this magic thing. He could feel it. The very air in this place trembled with magical power waiting to be tapped. Even more frustratingly, buried in his head was the knowledge to do something with it. Hidden in his mind was all the magical expertise he needed to be gone from here. He simply hadn't had time to think. Trsa elbowed him and pointed to the main house with its upturned eaves and intricately carved lintels. 'He's back.' "---Time is running out for The Undivided Rnn and his psychically-linked twin brother are trapped ... Darragh in 2001 Dublin and Rnn in a reality where the Undivided are not Druids, but Shinto warriors. They have two weeks to find their way home ... not only do they want to live, but they need to break the curse on Trsa and somehow rescue Hayley from the Faerie Lord's seductive embrace. With Darragh caught in an alternate reality without magic, and Rnn stranded in one with plenty of magic but no idea how to use it, the brothers must prove that even across alternate realities, they truly are the Undivided. ---This is the long awaited urban fantasy from best-selling fantasy author, J J Fallon, finally available on Kindle.
