Von Randy Walker : The Days of Roger Federer before purchasing it in order to gage whether or not it would be worth my time, and all praised The Days of Roger Federer:

KurzbeschreibungOne of the worlds most well-known and respected athletes, Roger Federer has had a career that

ranks among the most celebrated and successful in all of tennis history. This entertaining and illuminating chronicle of Federers trophy-laden journey is unique for its day-by-day format: every day of the calendar year is presented with a corresponding bit of fact, trivia, or an anniversary, including hallmark victories, statistics, quirky happenings, and quotations. Fans of a player widely considered the greatest of all time as well as sports fans in general will get to know the 17-time major champion better in a uniquely engaging way with this book. Pressestimmen "You can flip to any of the book's 500 pages and come upon interesting tidbits of information" -Doug Perry, the "Oregonian" "Whether it's for reference or out of devotion, if you want to know what Federer has done on virtually every day of the year, this is the place to go." --Steve Tignor, tennis.com "Equally enjoyable to browse in short bursts or all at once, "The Days of Roger Federer "is enthusiastically recommended for tennis fans." --"Wisconsin Bookwatch" Kurzbeschreibung One of the worlds most well-known and respected athletes, Roger Federer has had a career that ranks among the most celebrated and successful in all of tennis history.
